- Medical Academy
- Performing Arts Academy
- Innovation, Design, Engineering & Arts (IDEA)
- Global Leadership

We presently have 21 career academies in our high schools. We have revamped several small academies at Palmetto and Bayshore moving them under larger umbrellas. In addition, we have the following smaller learning communities (SLCs) and other programs at the high schools listed below. Thus, every student in these high schools will be a part of some form of a smaller learning community as of the 2011-2012 school year.

Bayshore

Freshmen Learning Center
Pre-College/College

Manatee

Freshmen Learning Center
Note: the Culinary Program falls under the Global Studies Academy
AP+ Program

Lakewood Ranch

Freshmen Learning Center

Palmetto

Two new programs for 2012:

- 1) AICE Program
- 2) Project Lead The Way Biomedical program falls under the Science, Health and Education Academy

Southeast

Freshmen Learning Center
IB Program
Center for Leadership – working to become an academy in the spring 2012

It should also be noted that we have two nationally recognized Model Academies, the Visual & Performing Arts Academy at Southeast and our newest one, the Medical Academy at Manatee.
