

CIW Master Designer

Key Information: 2009-10 Workforce Florida, Inc. Technical Skill Attainment list. Certification is on the CAPE funding list for 2009-10.

GENERAL EXAM INFORMATION

The exam demonstrates competencies to develop and maintain Web sites using authoring and scripting languages, create content and digital media, and employ standards and technologies for both business-to-business and business-to-consumer e-commerce Web sites. Specific information may be obtained at <http://www.ciwcertified.com/certifications/master-ciw-designer.asp>.

To become a CIW Master Designer the candidate must pass the Site Development Foundations module exam (possess the CIW Associate Certification) and the Site Designer exam and the E-Commerce Designer exam.

For the Site Development Foundations exam candidates must correctly answer at least 19 of the 30 multiple choice questions within the allotted time of 30 minutes to achieve a total score of 63% or greater in order to achieve a passing score .

For the Site Designer exam, candidates must correctly answer 49 of 70 questions in the allotted 75 minutes in order to achieve a total score of 70% to pass.

For the E-Commerce Designer exam: candidates must correctly answer 49 of 72 questions in the allotted 75 minutes in order to achieve a total score of 68% to pass.
