

MANATEE STARS

Manatee Stars is a State Approved Supplemental Educational Service Provider. Our goal is to provide qualified tutoring to students to improve their skills in Reading.

MISSION STATEMENT

Manatee Stars is dedicated to meeting the educational needs of all students. Manatee Stars is also committed to helping students reach their full academic potential while fostering a lifelong love of learning.

VISION STATEMENT

We believe that all students are capable of being successful if given the right resources. With increasing accountability, schools are faced with an even bigger challenge to ensure no child is left behind. Manatee Stars also accepts this challenge and is committed to being partners in education for all Manatee County Schools to ensure that our program envisions a bright future for all children.
